Results-driven MERN stack developer with hands-on experience in designing and developing dynamic, user-friendly web applications. Skilled in front-end and back-end technologies, database management, and creating responsive designs. Dedicated to delivering optimal solutions and collaborating effectively within teams.

INTERNSHIP

MERN STACK DEVELOPER INTERN | JULY 2024
ONE TEAM SOLUTIONS CALICUT
Built real-world web applications using React.js, Node.js, Express, and MongoDB. Gained hands-on experience in frontend development, API creation, and performance debugging in an agile, team-based environment.

SKILLS

Languages: JavaScript, HTML, CSS
Frameworks: React.js, Node.js, Express.js
Databases: MongoDB,MySQL
Tools: Git, Postman, VS Code, npm
Other: REST APIs, Debugging, Agile methods

PROJECTS

E-Commerce Website for Farmers (Main Project)
Developed a full-stack e-commerce web application using the **MERN stack** to connect farmers directly with buyers. Implemented key features like user authentication, product listings, shopping cart functionality, and admin panel for managing inventory. Focused on building a responsive UI and scalable backend API.
Tech Stack: React.js, Node.js, Express.js, MongoDB, HTML, CSS, JavaScript

Personal Financial Tracker(Mini Project)
Developed a web application to help users track income, expenses, and budgets effectively. The platform allows users to add, view, and delete financial entries and view spending patterns through intuitive interfaces. Focused on usability, clean UI, and performance.
Tech Stack: HTML, CSS, JavaScript,React Js

EXPERIENCE

Freelance Web Developer
Self Employed
Designed and developed a fully responsive, SEO-optimized website for a small business client. Integrated chatbot and WhatsApp support to enhance customer engagement. Managed the complete lifecycle from requirement gathering and UI/UX design to deployment and domain setup on Netlify. Ensured cross-browser compatibility and fast page load performance.

EDUCATION

BACHELOR OF COMPUTER APPLICATION
UNIVERSITY OF CALICUT
